

## Eagle Falls Lodge Suggested Bait, Tackle and Gear

Walleye:      ROD:            Light to medium action  
                  LINE:            6 lb. test for jigging  
                                  8-10 lb. test for trolling  
                  LURES:            Jigheads from 1/8 to 3/8 oz (we use 1/4 oz. jigs)  
                                  3"- 4" Twister tails or other plastics  
                                  Lindy Rigs or live bait spinners (we use 3/8 oz egg sinkers)  
                                  Live Bait (Night Crawlers / Leeches) or Berkely Gulp  
                                  Rat-L-Traps, Storm Thin Fins  
                                  Rapala Husky Jerk, Shad Rap, or similar minnow imitating lures  
                  COLORS:            Chartreuse, Orange, White, Yellow, & Perch patterns

Northerns:    ROD:            Medium to heavy action  
                  LINE:            10 to 14 lb. test  
                  LURES:            Mepps Spinners #5  
                                  Spoons (Williams Wablers, Red Eyes, 5 of diamonds)  
                                  Large Rapala, Storm, or Salmo crankbaits  
                                  7" Suick (9" if you're using a heavy enough rod)  
                                  Spinner baits / buzz baits  
                                  6-12" Steel or Titanium Leaders

Additional Tackle:      Personal life jacket (we have 50 life jackets at the lodge)  
                                  Fishing net (we have a few at the lodge)  
                                  Rope / Nylon stringer (we have a few at the lodge)  
                                  Fillet knife  
                                  Portable depth finders can also be handy

Gear:                      Sleeping bag  
                                  Bath towels  
                                  Beverages and snacks  
                                  Camera  
                                  Rain Gear, rubber boots  
                                  Extra shoes  
                                  Insect repellent and sunscreen  
                                  Cooler (to take fish home in)  
                                  Fishing license and outdoors card
